

Slideshow/Photo Montage

Blending your photographs and music with elegant dissolves, motion and zooms delivers impact and emotion. Our experienced montage artists will incorporate your instructions and take that extra step to making your presentation a one-of-a-kind masterpiece

ALL MEDIA MUST BE PROVIDED 60 DAYS BEFORE THE WEDDING

Photos must be 720 x 486

Digital Photos must be provided for FREE SLIDESHOW

(up to 75 photos must be numbered - Bride1, Groom1, Couple1, etc...)

Music must be supplied on CD

Please label your CDs with your name, phone number and email

1st – Baby Photos

2nd – Young adult photos

3rd – Adult photos

3 minute 30 second song = 210 total seconds divided by 7 seconds each = 30 pictures to fill song.

- Photographs: Please number your photos in the order to be shown. From #1 to whatever the last photo indicates.*
- For each section, fill in the blanks on the order form to indicate the 1st & last photo in that section.*
- The pictures will appear for 5 seconds each (the average) unless otherwise indicated.*
- All pictures in each section will be the same duration. Variations outside of package parameters may be classified as a custom montage and incur the appropriate charges.*
- Unless otherwise indicated the technician will decide the best way to display each picture in regard to cropping or adding borders. As a rule, the entire picture will be displayed. In the instance of vertical portrait photos, a black border will be applied to both sides so the entire picture may be seen.*
- Please test any CDs created at home as they are sometimes more sensitive to playback than professionally produced CDs.*

Titles

- Indicate all info in each section regarding content & placement.*
- Do not put too much information on a title or the letters will be too small to read.*
- If the title is to be displayed while the music is playing it must be figured into the timing or an indication made that it is to be silent during the title.*
- Please double check all spelling—Corrections may incur a charge.*

This package includes:

- Up to 75 photographs*
- 1 song selection on CD*
- 2 custom title pages*
- Digital zooms, motion, and dissolves as needed*
- Custom timing and placement designed for maximum impact & drama*
- Mastering available on VHS or DVD*

The Deluxe Photo Montage is perfect for the occasion that calls for that extra personal touch!
